

**Samah Anwer Alsatary**

**[alsatary.samah@gmail.com](mailto:alsatary.samah@gmail.com)**

**+962-790548262**

**Amman-Jordan**

### **Career Objective:**

Software developer with a positive attitude, strong work ethic, and a keen desire for learning and development. In addition, an internship with ASAC/ LUMINUS has enhanced my skill in web programming, and in-depth knowledge of modern HTML/CSS and REACT. Currently, I'm seeking to work in the programming industry, in the web development department, with a company that contains my talent.
